Prayer for the Church: St James. Please pray for St James as they start the 5 year planning process and start to address their major repair issue with the Church roof and soil erosion. The congregation are in good heart with a positive attitude.

Missions: Samaritans Purse: Please pray for the outstanding work they do by supplying Bio Sand Water Filters, to families that have no other means to obtain fresh drinking water. One of the first countries was Ethiopia, where they have built 32,000 filters. Around the world they have helped 1.7 million people with safe clean water. They construct either household filters or larger scale filters for schools and small communities.
