Coronavirus ~ important advice

Because we are a group that gathers together, we all need to exercise care to not put the health of others at risk by attending a service (especially Communion Services) if we have cold or flu symptoms. To stay away is the most considerate decision. During these extraordinary times, if you prefer to stay away, that is perfectly acceptable and will not be frowned upon. Let's all be sensible and sensitive. Instead of being fearful, be careful.

Thank you to those who have already put their names forward to help with the delivery of the Hope project booklets. There is still time if you are able to offer half an hour to this Project. Why not add your name to the clipboard on the table in the lounge?
